Summary Sheet

Description – This resolution approves a six month contract with Southeast Mental Health Center for the provision of detoxification services to individuals transported by law enforcement agencies. These services were formally provided by contracted services housed at the Regional Medical Center. It is the recommendation of administrators of the MED that these services be housed elsewhere. The space occupied at the MED for these contracted services can be better utilized for other higher acuity needs and the MED will incur savings from the termination of this service requirement. The contracted cost of these services is \$325,000.00 for this initial period of the contract. This process has been implemented in order to align identified health resources with needs that otherwise relegated to the Criminal Justice System. In addition to patients transported by law enforcement, individuals can report on their own and be evaluated and triaged to appropriate community resources for detoxification or mental health issues.

II. Sources and Amount of Funding

Funds are available for transfer from the operating appropriation for the Regional Medical Center for this purpose from account number 010-201201-8978 Regional Medical Center.

III. Contract Items

- A. Type of Contract – Provision of detoxification and mental health intervention and referral services for individuals transported by law enforcement or self presenting.
- B. Terms – Six Months beginning May 1, 2009
- C. Amount - \$325,000.00

IV. Additional Information Relevant to Approval of this Item – The administration recommends approval of this resolution.
